Additional Third Party Comment Received

One further third party objection was received. This is available to view in the online case file <https://publicaccess.westoxon.gov.uk/online-applications/> and is included in full below:

I am writing to object to Planning Application 22/03240/OUT in Minster Lovell on behalf of Oxford Friends of the Earth, a voluntary organisation with 1700+ supporters across Oxfordshire. This application is contrary to significant WOLP 2031 policies, and should be refused on those grounds alone. There are reports that the site has significant wildlife value. A development in this location of this size is likely to cause increased local congestion and to have a negative impact on the character of Minster Lovell.
